ANNEXURE-I

Statement showing the Draft Article of Charges against Sri L.V.Sridhar Raju MPDO Balijapeta.

Charge I :- That Sri L.V.Sridhar Raju Mandal Parishad Development Officer, Balijapeta has committed certain grave irregularities in the works taken up under FFWP and allowed the tampered recordings in M.Books by adding/recording extra measurements in between specified lines of M.Books with different inks which are in violation of Codal Rules. But he had not objected and allowed for Payment. He had also made payment excess over sanctioned amount for an amount. Thus he had not performed his legitimate duties and mis-utilized his official position and caused financial loss an amount of Rs.96,805/- to the state exchequer.

Basis : As seen from the report of Engineer in chief (PR) Lr.No.QC1/DEE 3/1663/VZM-Tampering/04, dt.3.3.2012 it has been informed in the findings that, 1) tampering was done by Sri U.Y.Ratnam Mandal Engineering Officer, Balijapeta in the M.Books by adding/recording the extra measurements in between specified lines of M.Books. Recording was done with ink pen and added measurements/extr measurements by ball pen. The misappropriated amount arrived at Rs.5,06,301/- 2) Pass orders were made without referring to the last measurements of the billed items and M.Books and sanctioned estimates. Working estimate sanctions are not available. It is also observed that there is no link between recording of work bills and pass orders for certain works. The value of such works were arrived at Rs.24,083/- 3) The payment authority (MPDO) has failed to verify the check measurements/billed quantities estimate quantities/working estimate sanctions per certain number of works and made pass orders in the M.Books which resulted in excess payment over sanctioned. The value arrived at Rs.72,722/- As such the total misappropriation amount by way of tampered amounts, not checkmeasured but bill paid and excess over sanctioned amount paid works out to Rs.6,03,106/- (rounded).

Further as seen from the abstract received of total misappropriation amount of Rs.6,03,106/- (rounded) out of which excess over sanctioned amount paid is of Rs.72,722/- and not check measured amount if of Rs.24083/- totalling to Rs.96,805/- for which he is directly responsible. He supposed to verify the check measurements, billed quantities, estimate quantities working estimate sanctions per certain number of works and then to make pass order. Thus he directly responsible for loss of Rs.96,805/- and also he could have objected the tamperings made in M.Books while making pass orders for which he is empowered. Had he objected then and there at the time of pass order, this misappropriation could not have been happened.

Thus he had failed in performing his legitimate duties and not shown devotion to his duties and involved in a action of moral turpitude with criminal motive for his personal gain by colluding with recording officer check measuring officer and caused huge financial loss to the Government exchequer.

Hence the charge.
